I.

INTRODUCTION

3 On April 10, 2008, Defendants separately moved to dismiss all claims pursuant to
4 F.R.Civ.P Rule 12(b)(6) for failure to state any cognizable claims against them. (Docket
5 Entry Nos. 17 and 19). This Court granted the motions in their entirety on May 23, 2008.
6 (Order dated May 23, 2008, attached as Exhibit A to Request for Judicial Notice (“RJN”);
7 Docket Entry No. 48). In its Order, the Court allowed Plaintiffs fourteen days within which
8 to move for leave to amend. (Id., p. 6:25-27). The court further stated, that “[f]ailing such
9 a motion, judgment will be entered for the city and county.” (Id., p. 7:1-2). Plaintiffs have
10 failed to move for leave to amend within the time allowed, or at all. (RJN, ¶ 2). Defendants
11 respectfully requests this Court to now direct the entry of a final judgment in favor of
12 Defendant pursuant to Fed.R.Civ.P. 54(b).

II.

**FINAL JUDGMENT SHOULD BE ENTERED IN FAVOR OF DEFENDANTS
CITY OF CLEARLAKE AND COUNTY OF LAKE**

16 Rule 54(b) provides, in relevant part, that “[w]hen more than one claim for relief is
17 presented in an action, whether as a claim [or] counterclaim, . . . the court may direct the
18 entry of a final judgment as to one or more but fewer than all of the claims . . . only upon an
19 express determination that there is no just reason for delay and upon an express direction for
20 the entry of judgment.” In order to certify an order as a final judgment, a district court must
21 first determine that it is dealing with a “final judgment” and then must determine there is “no
22 just reason for delay.” Curtiss-Wright Corp. v. General Elec. Co., 446 U.S. 1, 8 (1980).

23 “[I]ssuance of a Rule 54(b) order is a fairly routine act that is reversed only in the
24 rarest instances.” James v. Price Stern Sloan, Inc., 283 F.3d 1064, 1068 n.6 (9th Cir. 2002).
25 There are only two requirements for entry of a partial final judgment. First, there must be an
26 “ultimate disposition of an individual claim entered in the course of a multiple claims
27 action.” Curtiss-Wright Corp. v. General Elec. Co., 446 U.S. 1, 7 (1980). Second, there must
28 be “no just reason for delay” in entering a final judgment on the claim. Id. at 8. In

1 determining no just reason for delay, the court should consider “whether, upon any review
 2 of the judgment entered under the rule, the appellate court will be required to address legal
 3 or factual issues that are similar to those contained in the claims still pending before the trial
 4 court.” See Frank Briscoe Co. v. Morrison-Knudsen Co., 776 F.2d 1414, 1416 (9th Cir.
 5 1985); Baker v. Limber, 647 F.2d 912, 916 (9th Cir. 1981) citing Morrison-Knudsen Co.,
 6 Inc. v. Archer, 655 F.2d 962, 965 (9th Cir. 1981). This is to avoid piecemeal appeals of the
 7 same issues. See Gausvik v. Perez, 392 F.3d 1006, 1009 (9th Cir. 2004) citing Sears,
 8 Roebuck & Co. v. Mackey, 351 U.S. 427, 438 (1956).

9 Here, all of Plaintiffs’ claims against Defendants, both public entities, have clearly
 10 been disposed of by way of the Order dated May 23, 2008, and the failure of Plaintiffs to
 11 seek leave to amend. (See RJN). Accordingly, this court has ruled in favor of the
 12 Defendants, and decided “the merits and legitimacy of plaintiff’s assertions” to be
 13 insufficient. See e.g. Am. States Ins. Co. v. Dastar Corp., 318 F.3d 881, 888 (9th Cir. 2003)
 14 (the district court possess the authority to deny the relief if it did not intend the order to be
 15 immediately appealable). Thus, while the claims against private parties Edmonds and Tyler
 16 continue to move forward, all claims against Defendants CITY OF CLEARLAKE and
 17 COUNTY OF LAKE have been dismissed.

18 In addition, no just reason exists to insist that Defendants remain in the action. In that
 19 regard, the appellate court will not be required to address similar legal or factual issues on
 20 appeal. First, only the public entity Defendants moved to dismiss at the early stage of the
 21 pleadings. Defendants Edmonds and Tyler did not challenge the pleadings. Thus, any appeal
 22 as to Defendants necessarily involve the sufficiency of the pleadings. Equally important, the
 23 bases for the claims against Defendants sounded in 42 U.S.C. Section 1983 for municipal
 24 liability under Monell v. Department of Social Servs., 436 U.S. 658, 695 (1978), and state
 25 law claims subject to California Claims Act. Cal. Gov. Code §§ 900 et seq. These claims
 26 are unique to public entities. An appeal of these issues, if any, thus involve separate legal
 27 theories and/or pleading requirements than as against the remaining Defendants Shannon and
 28 Edmonds, private citizens. As to them, Plaintiffs’ claims essentially sound in negligence and

1 intentional tort not subject to the California Claims Act. Accordingly, there is no risk of
2 duplicate action and an appeals court will not find it necessary to resolve similar issues.
3 Therefore, no just reason exists to delay entry of judgment in favor of Defendants.

4 Lastly, entering final judgement in favor of Defendants will help to narrow the issues
5 and parties before this court. See e.g. Sheehan v. Atlanta International Ins. Co., 812 F.2d
6 465, 468 (9th Cir. 1987). Defendants respectfully submit final judgment be entered in favor
7 of Defendants to promote the prompt and final resolution of the claims asserted against
8 Defendants CITY OF CLEARLAKE and COUNTY OF LAKE. Therefore, the motion for
9 entry of a final judgment should be granted.

IV.

CONCLUSION

12 Based on the foregoing, Defendants CITY OF CLEARLAKE and COUNTY OF
13 LAKE respectfully request the Court find that because all claims of Plaintiffs against
14 Defendants have been resolved, and there is no just reason for delay, to direct the entry of a
15 final judgment pursuant to Fed.R.Civ.P. 54(b) as against Plaintiffs and in favor of Defendants
16 CITY OF CLEARLAKE and COUNTY OF LAKE.

Respectfully submitted,
